

Where Has the Love Gone

Kylie Minogue

Where has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)Where has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)It's not easy taking all responsibilities
Think it's time that we should know, what we really need
If the love has gone then you don't want to stay
Then hey baby we can go our separate waysOhh, la la la la la
Ohh, la la la la laI thought that love we had was oh, so hard to break
But now I know that it was all give and no take
One sided love affair is oh, no good to me
I'm a woman and I've got my vanityWhere has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)Where has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)You might assume like everything was going fine
When there was really something deep inside your mind
Let's set it down then maybe we can work it out
There's no need to raise our voices, scream, or shoutOhh, la la la la la
Ohh, la la la la laWhere has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)Where has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)Ohh, la la la la la
Ohh, la la la la laI've come to terms about the way you really feel
I know the love we have is no longer realWhere has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)Where has the love gone?
(Where's the love? Where's the love?)
Where has the love gone?
(Where's the love? Where's the love?)A love so strong
(A love so strong)

Where did it go wrong?
(Where did it go wrong?)
A love so strong
(A love so strong)
Where did it go wrong?
(Where did it go wrong?)A love so strong
(A love so strong)
Where did it go wrong?
(Where did it go wrong?)
A love so strong
(A love so strong)
Where did it go wrong?
(Where did it go wrong?)A love so strong
(A love so strong)
Where did it go wrong?
(Where did it go wrong?)
A love so strong
(A love so strong)
Where did it go wrong?
(Where did it go wrong?)Where has the love gone, a love so strong
Where did it go?
Where did the love go?
Ooh, oh oh oh oh
Where did the love go?
Where did the love go?
