

Beautiful Now - Zonderling Remix

[Zedd](#)

I see what you're wearing
There's nothing beneath it
Forgive me for breathing
We might not know why,
We might not know how
But baby tonight, we're beautiful now
We might not know why,
We might not know how
But baby tonight, we're beautiful now
We'll light up the sky,
We'll open the clouds
Cause baby tonight,
We're beautiful now We'll light up the sky,
We'll open the clouds
Cause baby tonight,
We're beautiful now We're beautiful now We might not know why,
We might not know how
But baby tonight, we're beautiful now
We'll light up the sky,
We'll open the clouds
Cause baby tonight,
We're beautiful now Beautiful
We're beautiful
