

Across the Universe

Mary Black

Advisory - the following lyrics contain explicit language:

Words are flowing out
Like endless rain into a paper cup
They slither while they pass
They slip away across the universe Pools of sorrow waves of joy
Are drifting through my open mind
Possessing and caressing me Jai Guru Deva, om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world Images of broken light
Which dance before me like a million eyes
They call me on and on across the universe Thoughts meander like a restless wind
Inside a letter box
They tumble blindly as they make their way
Across the universe Jai Guru Deva, om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world Sounds of laughter shades of earth
Are ringing through my open views
Inciting and inviting me Limitless undying love
Which shines around me like a million suns
It calls me on and on across the universe Jai Guru Deva, om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world Jai Guru Deva
Jai Guru Deva
Jai Guru Deva
