No Release

Rainbow

Through this smoke the dancers move
Demonic, dirty, downtown groove
Visions of the day retreat
Come on, baby, feel the heatThen I can disappear
(Disappear)
And be in peace
But when my mind is clear
(When my mind is clear)
I can't get no, no release, woah ohh
No release, yeah, woah ohhIn the dark the dancers shout, oww
Scream the cry of freedom out
Strobe crescendos in the night
Minds take cover, souls take flightOh, let me disappear
(Disappear)
Set me free, set me free
But when my mind is clear
(When my mind is clear)
I can't get no, no release
(Can't get no release, oh no)Oh, set me free, baby, let me beI can't get no, I can't get no, I can't get no release
I can't get no, I can't get no, I can't get no release
I can't get no, I can't get no, I can't get no release
I can't get no, I can't get no, I can't get no release
(No release)I can't get no, I can't get no, I can't get no release
(No release)
I can't get no, I can't get no, I can't get no release
(Can't get no release)
I can't get no, I can't get no, I can't get no release
(No release)I can't get no, I can't get no, I can't get no release
I can't get no, I can't get no, I can't get no release
I can't get no, I can't get no, I can't get no, I can't get no release
No release, ohh woah ohh, yeah yeah, yeah yeah yeah, oohSet me free, set me free, baby, yeah
Well, I can feel it, yeah
Feel it, feel it, feel it, feel itCan't get no release
