Shelter

Xavier Rudd

Well, here I am this is my shelter
Here I'm at one with these trees
And all these birds sing to my rhythms
And these waves they comfort meDo what you will while you're able
Find what it is that you seek
Only I'll fly, fly, fly above the ocean
I will fly so high above the seeIf it's shelter you're searching for
One that I cannot provide
Well, I wish you well on your journey
I hope your dreams they come alive
I hope your dreams back down and they, they thrive
I hope your dreams they come aliveDo, Do, Do
Do, Do, Do
Do, Do, DoWell, I filled my cup with the answers
And I filled my cup with your lies
You topped it up with your mysterys
And all those secrets I deniedDo what you will while you're able
Find what it is that you seek
Only I'll fly, fly, fly above the ocean
I will fly so high above the seeIf it's shelter you're searching for
One that I cannot provide
Well, I wish you well on your journey
I hope your dreams they come alive
I hope your dreams back down and they, they thriveI Hope Your Dreams They Come Alive
I Hope Your Dreams Back Down And ThriveDo, Do, Do
Do, Do, Do
Do, Do, Do
