One More Chance

Joan Armatrading

Take it from me
I'm the one who knows
I've been there myself, I can tell you
It's not the place you want to beNothing's right
It's all wrong
And nothing good
Can ever comeLearn from me, I was stupid
Now I'm an enemy for life
I can tell you
It's not a thing I likeI feel so bad
Nothing works
I try my best
But I fail the testOh, baby, please don't go
It's just the one mistake
Give me one more chance
My heart, my heartHear the sound as I fall apart
Watch my senses fade
I'll throw the question open
How can I make things changeNothing works
It's all wrong
I try my best
But I fail the testI feel so bad
Nothing's rightI feel so bad
I feel so bad
I feel so bad
