

# I Don't Know

## Teenage Fanclub

I fell down, got back up when no one was around  
I want you, I want you to tell me what you found  
I been down, lower than you think I've been  
I don't know, I don't know if I know what I mean But I know, who you are  
And I know, where you've been, yeah I know  
But I don't know, I don't know  
I don't know if I want you I looked up I saw you looking down on me  
I've been here it isn't where I want to be  
You know exactly what you want to do  
I don't know what you wanted me to be But I know, what you know  
(And I know)  
What I like  
(And I know) What you want  
(And I know)  
What I want And I know, but I don't know  
I don't know, I don't know  
I don't know if I want you
