

# Waiting for You

## The Bangles

Ahh, ahh, ahh, ahh  
Ahh, ahh, ahh, ahh  
(Ahh, ahh)I get so restless here alone  
That's why I call you on the phone  
I get nervous, over anxious, lose control  
Waiting for you, babyLately I dream that I'm in your arms  
When you're here I feel I'm safe from harm  
I'd do anything that you want, Babe  
Anything at all  
And I'm waitin' for you to see  
(You mean the world to me)Stars and the moon  
(Ahh)  
Wait for you in my lonely room  
(Ahh)  
The warmth of the sun is in your smile, aah  
(Ahh)(Ahh)  
Stars and the moon  
(Ahh)  
Wait for you in my lonely room  
(Ahh)  
Warmth of the sun is in your smileI get so restless here alone  
That's why I call you on the phone  
I'd do anything that you want, Babe  
(Ahh)  
Anything at all  
(Ahh)  
And I'm waiting for you to see  
(You mean the world to me)  
Waiting for you
