

# You

## Basil Valdez

You give me hope,  
The strength, the will to keep on;  
No one else can make me feel this way  
And only you  
Can bring out all the best I can do;  
I believe you turn the tide  
And make me feel real good inside.You pushed me up  
When I'm about to give up;  
You're on my side when no one seems to listen  
And if you go,  
You know the tears can't help but show  
You'll break this heart and tear it apart;  
Then suddenly the madness startsCHORUS:  
It's your smile,  
Your face, your lips that I miss,  
Those sweet little eyes that stare at me  
And make me say,  
I'm with you through all the way.'Cause it's you  
Who fills the emptiness in me;  
It changes ev'rything, you see,  
When I know I've got you with meYou pushed me up  
When I'm about to give up;  
You're on my side when no one seems to listen  
And if you go,  
You know the tears can't help but show  
You'll break this heart and tear it apart;  
Then suddenly the madness startsCHORUS:  
It's your smile,  
Your face, your lips that I miss,  
Those sweet little eyes that stare at me  
And make me say,  
I'm with you through all the way.'Cause it's you  
Who fills the emptiness in me;  
It changes ev'rything, you see,  
When I know I've got you with me.It's your smile,  
Your face, your lips that I miss,  
Those sweet little eyes that stare at me  
And make me say,  
I'm with you through all the way.'Cause it's you

Who fills the emptiness in me;  
It changes ev'rything, you see,  
When I know I've got you with me.
