Darkness Paradise

Skip the Use

hey brother, I've got something to say...
life is a game and I've lost a lot, you know that's the way
behind the smile, I've got to hide the rain inside my eyes
'cos life is so strange, no time for revenge
and you know you're inside my head
I'm hurt, will you give me your hand
life runs too fast, don't deny my demand
ho behind the smiles, you know I've got to hide the rain in my eyes
'cos life is so strange, there's no time for revenge
my darkness-paradise...I've got nothing to offer
what else can a poor guy do ?
blind this vision of disorder
you know I just wanna be with you
behind the smile, I've got to hide the rain inside my eyes
life is so strange, no time for revenge
you're inside my head
Life is a game, I've lost a lot but I'll still play again
life is so strange, there's no time for revenge
my darkness-paradise....
