Stay

Flyleaf

Green light, 7-Eleven
You stop in for a pack of cigarettes
You don't smoke, don't even want to
Hey now, check your change
Dressed up like a car crash

Your wheels are turning but you're upside downYou say when he hits you, you don't mind Because when he hurts you, you feel alive

Oh no, is that what it is?Red lights, gray morning

You stumble out of a hole in the ground

A vampire or a victim

It depends on who's around

You used to stay in to watch the adverts

You could lip sync to the talk shows And if you look, you look through me

And when you talk, you talk at me

And when I touch you, you don't feel a thingIf I could stay then the night would give you up Stay, and the day would keep its trust

Stay, and the night would be enough Faraway, so close

Up with the static and the radio

With satellite television

You can go anywhere

Miami, New Orleans, London, Belfast, and BerlinAnd if you listen I can't call
And if you jump, you just might fall

And if you shout I'll only hear youIf I could stay then the night would give you up

Stay, then the day would keep its trust

Stay, with the demons you drowned

Stay, with the spirit I found

Stay, and the night would be enough Three o'clock in the morning

It's quiet and there's no one around

Just the bang and the clatter

As an angel runs to ground

Just the bang and the clatter

As an angel hits the ground
