

Heart Without a Home (I'll Be Yours)

Nick Carter

Girl I love to watch you
You're like candy to my eyes
Like a movie that you've seen
But you gotta watch just one more time
But that smile you're wearing
It's a beautiful disguise
It's just something you put on to hide the emptiness inside
And you seem so lonely But you don't have to anymore..[chorus]
If you're a heart without a home
Rebel without a cause
If you feel as though
You're always stranded on the shore
Like a thief in the night
Let me steal your heart away
Baby if for reasons, what you're looking for
I'll be yours I'll be yours I'll be a new sensation
One you never had before
I got a feeling if I gave you some
You'd probably want some more
Did you know that baby
You're the bluebird in my sky
I only wanna make you happy cause
I love to see you fly And if you feel lonely
You don't have to anymore [chorus] I'll be yours, I'll be yours I'll be the raft in the tide
I'll be yours
I'll be the truth in the light
And what's more
When no one opens the door
I'll be the hope that you're looking for [chorus] I'll be yours...
