

# Straight Ahead

## Tube & Berger

Straight ahead  
One direction  
Straight ahead  
Just more and more  
Straight ahead  
One direction  
No left  
No right  
More and more  
Straight ahead  
One direction  
No left  
No right  
Just more and more  
Heading for the turf  
We got a steady flow  
And the system, was set to overload  
One direction  
Only way to go  
So push it  
PUSH PUSH PUSH PUSH  
Ooooh ooh we've got the love in sight  
Ooooh ooh straight for the love  
Ooooh ooh we've got the love in sight  
Ooooh straight for the love  
Straight ahead  
One direction  
Straight ahead  
One direction  
No left  
No right  
More and more (x2)  
Heading for the turf  
We got a steady flow  
And the system, was set to overload  
One direction, only way to go  
So push it  
PUSH PUSH PUSH PUSH  
Oooooh ooh we've got the love in sight

Ooooooh ooh straight for the love (straight for the love)  
Ooooooh ooh we've got the love in sight  
Ooooooh ooh straight for the love (straight for the love)  
Straight Ahead  
One Direction  
Straight ahead  
Just more and more  
Straight ahead  
One direction  
No left  
No right  
More and more  
Straight ahead  
One direction  
No left  
No right  
Just more and more
