Anthem for the Year 2000

Silverchair

We are the youth
We'll take your fascism away
We are the youth
Apologize for another dayWe are the youth
And politicians are so sure
We are the youth
And we are knocking on death's doorNever knew we were living in a world
With a mind that could be so sure
Never knew we were living in a world
With a mind that could be so smallNever knew we were living in a world
And the world is an open court
Maybe we don't want to live in a world
Where innocence is so shortWe'll make it up to you
In the year 2000 withNever knew we were living in a world
With a mind that could be so sure
Never knew we were living in a world
With a mind that could be so smallNever knew we were living in a world
And the world is an open court
Maybe we don't want to live in a world
Where innocence is so shortWe'll make it up to you
In the year 2000
Build it up for you
In the year 2000Make it up to you
In the year 2000
Build it up for you
In the year 2000 with youNever knew we were living in a world
With a world that could be so sure
Never knew we were living in a world
With a mind that could be so smallNever knew we were living in a world
And the world is an open court
Maybe we don't want to live in a world
World who cares at allWe'll make it up to you
In the year 2000
Build it up for you
In the year 2000Make it hard for you
In the year 2000
Build it up for you
In the year 2000Make it hard for you
In the year 2000

Build it up for you
In the year 2000 with you
