

U Don't Have To Call

Usher

Yo, after tonight
Don't leave your girl around me
True playa for real
Ask my nigga, PharrellC'mon
Just ask for your dad
You smell him, yeah you smell him, yeahDon't leave your girl around me
True playa for real
Ask my nigga, Pharrell
I don't knowSituations will arise in our lives
But you got to be smart about it
Celebrations with the guys
I sacrificed 'cause I knew you could not sleep without itMeanwhile I, I loved you
You were my girl
You see I thought the world of you
But you're still leavin', babyU don't have to call
It's okay, girl
'Cause I'ma be alright tonightU don't have to call
It's okay, girl
'Cause I'ma be alright tonightAw girl, your face is sayin' why
Tears in eyes
Should've been more smart about it
Should've cherished meListenin' to friends, now it's the end
And again no story can end without itDamn right, I, I loved you
You were my girl
You see I thought the world of you
But you're still leavin', babyU don't have to call
It's okay, girl
'Cause I'ma be alright tonightU don't have to call
It's okay, girl
'Cause I'ma be alright tonightGonna boogie tonight
'Cause I'm honestly too young of a guy
To stay home waitin' for love
So tonight I'm gonna do what a single man does
And that's party, yeah, oh yeah
Oh noU don't have to call
It's okay, girl
'Cause I'ma be alright tonightU don't have to call
It's okay, girl
'Cause I'ma be alright tonightU don't have to call

It's okay, girl
'Cause I'ma be alright tonight Gonna boogie tonight
'Cause I'm honestly too young of a guy
To stay home waitin' for love
So tonight I'm gonna do what a single man does
And that's party U don't have to call
It's okay, girl
'Cause I'ma be alright tonight U don't have to call
It's okay, girl
'Cause I'ma be alright tonight U don't have to call
It's okay, girl
'Cause I'ma be alright tonight U don't have to call
It's okay, girl
'Cause I'ma be alright tonight I'm not waiting at home for you
Bye-bye
