

Broken Heart

White Lion

Here I stand, all alone
Trying to fight the pain from a broken heart
Why she left me? I don't know
It really doesn't matter anymore I thought that love could last forever
But here I stand lost and all alone There is life even after a broken heart
You can fight the pain from a broken heart, broken heart You start a new day, but not alone
I'm gonna break away from this broken heart
I'll meet a woman, I'm gonna take her home
Where I'll pick all the pieces, start all over again I know that life will be much better
I know the sun will shine in again
Yea, baby, I know There is life even after a broken heart, broken heart
You can fight the pain from a broken heart, broken heart I know that life will be much better
I know the sun will shine again
Yea, baby, I know, baby, I know
There is life even after a broken heart There is life even after a broken heart, broken heart
You can fight the pain from a broken heart, broken heart Oh, there is life even after a broken heart
Oh, you can fight, yea, yea, yea, yes
The pain from a broken heart, broken heart Ooo, ooo, ooo, ooo
Ooh yeah
My, my baby
