Broken Heart

White Lion

Here I stand, all alone
Trying to fight the pain from a broken heart
Why she left me? I don't know

It really doesn't matter anymoreI thought that love could last forever
But here I stand lost and all aloneThere is life even after a broken heart
You can fight the pain from a broken heart, broken heartYou start a new day, but not alone
I'm gonna break away from this broken heart
I'll meet a woman, I'm gonna take her home

Where I'll pick all the pieces, start all over againI know that life will be much better I know the sun will shine in again

Yea, baby, I knowThere is life even after a broken heart, broken heart
You can fight the pain from a broken heart, broken heartI know that life will be much better
I know the sun will shine again
Yea, baby, I know, baby, I know

There is life even after a broken heartThere is life even after a broken heart, broken heart You can fight the pain from a broken heart, broken heartOh, there is life even after a broken heart Oh, you can fight, yea, yea, yea, yes

The pain from a broken heart, broken heartOoo, ooo, ooo, ooo Ooh yeah
My, my baby
