

# Rocket

## Bogue Whimsy

You think you see me  
You haven't see nothing  
I'm looking for something more than this  
I'm feeling no limits  
I'm seizing each minute  
Don't wanna, Don't wanna  
Just exist  
Don't want my feet on the ground  
Wanna feel the speed of sound  
I want it now  
I want to fly  
Like a rocket to the sky  
Going up a million miles  
And I'm not coming down  
Won't stop till I feel the sky at my feet  
My dreams are my wings  
I'm flying  
Flying high  
I'm climbing  
I'm rising  
I'm striking like lightning  
Writing my name in sky writing  
For all to see  
I'll do something epic  
And they won't forget it

Good enough's not good enough for me  
I want the ride of my life  
Want to reach the speed of light  
Want it tonight  
I want to fly  
Like a rocket to the sky  
Going up a million miles  
And I'm not coming down  
Won't stop till I feel the sky at my feet  
My dreams are my wings  
I'm flying  
Flying high  
Never gonna make my way down

I'll make the galaxy my playground  
It's gonna be one hell of a ride  
I'll fly  
Like a rocket to the sky  
Going up a million miles  
And I'm not coming down  
Won't stop till I feel the sky at my feet  
My dreams on my wings  
I'm flying  
Flying high
