How Deep Is Your Love

Blaze

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wonder far from me
I wanna feel you in my arms againAnd you come to me on a summers breeze
Keep me warm in your love and then you softly leave
And it's me you need to show
How deep is your loveHow deep is your love? How deep is your love?
I really need to learn 'cos we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and me
I believe in you
You know that down to my very soul
You're the light in my deepest darkest hour
You're my Saviour when I fallAnd you may not think I care for you
When you know down inside that I really do
And it's me you need to show
How deep is your loveHow deep is your love? How deep is your love?
I really need to learn 'cos we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and meAnd you may not think I care for you
When you know down inside that I really do
And it's me you need to show
How deep is your love
How deep is your love? How deep is your love?
I really need to learn 'cos we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and me
