# Lay Down The Law

## Switches

Well, she sure is cookin', cookin' for me
But she caught me lookin'
And her mouth is ready, ready for me
But she caught me lookin'We lay down the law
So what the hell are you here for?
We lay down the law
So what you need me for?Now the door is open, open for me
'Cause I caught her lookin'
And her lips are itchin', itchin' for me
'Cause I caught her lookin'We lay down the law
So what the hell are you here for?
We lay down the law
So what you need me for?We lay down the law
So what the hell are you here for?
We lay down the law
So what you need me for?Yeah, we lay down the law
So what the hell are you here for?
We lay down the law
So what you need me for?We lay down the law
So what the hell are you here for?
We lay down the law
So what you need me for?We lay down the law
So what the hell are you here for?
We lay down the law
So what you need me for?We lay down the law
So what the hell are you here for?
We lay down the law
So what you need me for?Yeah
