

Overjoyed

Jars of Clay

You named me
Who am I
That I should company with
Something so divine
Mercy waits
Overjoyed
Prospects of finding freeing
Freeing me

[Chorus]
Love is the thing this time I'm sure
And I couldn't need you more now
The way that you saw things were so pure
Overjoyed

You name me
Entertain
Thoughts of peace
Can overcome anything
Mirror spin
Wicked tales
Here lies reflections of
Deceptions of

[Chorus]
Missing the me from you,
You gave to me
(Gave to me)
Don't like the one
I have created today
Crossing nameless
From the one I've earned
To be the one, the one you gave to me

You name me,
Name me
Finding freeing me

[Chorus: x2]

Overjoyed

Overjoyed
