

Flippin' Beans

Millencolin

I, I got a plan for you and I
I wanna take you for this ride
Across the flippin' beans
Sit and wait for you and meGuess, I want that I want and I feel
The piece of you
That I see that's for meAnd I want what I want and I feel
The piece of you
That I see that's for meAnd you, you say you really hate it too, too, too
You say you wanna take a high grip
Inhale gasoline, you sit and wait for you and meGuess, I want what I want and I feel
The piece of you
That I see that's for meYes, I want what I want and I feel
The piece of you
That I see that's for me[Incomprehensible]Stranger in a strange land that's what I am
You turn away from me, it's like, boom and bam
Oh, I got to see you 'cause you blew my mind
So now you gonna die so don't ask whyAnd I want what I want and I feel
The piece of you
That I see that's for meYes, I want what I want and I feel
The piece of you
That I see that's for me
