

Before The Dawn (demo)

Evanescence

Meet me after dark again and I'll hold you
I want nothing more than to see you there
And maybe tonight, we'll fly so far away
We'll be lost before the dawn If only night can hold you where I can see you, my love
Then let me never ever wake again
And maybe tonight, we'll fly so far away
We'll be lost before the dawn Somehow I know that
We can't wake again from this dream
It's not real, but it's ours Maybe tonight, we'll fly so far away
We'll be lost before the dawn
