

Shame On Me

Avicii

All my life
(Thats what I get for loving you)
Lie! Lie! Lie!
(No I can't live without you)
Why? Why? Why?
(And all those things you put me through)
Why Lie Lie?
(Cuz I get my kicks without you)(Melody)(Beat Drop)(Robo Talk)Shame on me for loving you
Can't deny that you been untrue
Lie so sweet but you loving me
Put that fire out with gasoline
Ah Da da da dada
Yeaaaa
How'd you find out I'm born again?
I'm reach out to the better man
Crazy little bitch we would both agree
Shame on you for loving me.
Yeaaaa uhhAll my life
(Thats what I get for loving you)
Lie! Lie! Lie!
(No I can't live without you)
Why? Why? Why?
(And all those things you put me through)
Why Lie Lie?
(Cuz I get my kicks without you)(Solo)(Beat Drop)
