

Just a Little Girl

[Amy Studt](#)

Sometimes I feel, you're not listening
Sometimes I feel, you don't understand
But I think I've got the answer
Already know what you're gonna say 'Cause I'm just a little girl, you see
But there's a Hell of a lot more to me
Don't ever underestimate what I can do
Don't ever tell me how I'm meant to be You say I'm just a little girl, just a little girl
How can I compare? What do I know?
What have I got to share? But there's nothing in this world, nothing in this world
That could hold me down, can't you hear me?
Don't you understand? That I wanna be myself, wanna be the girl
I wanna be the one that you can rely on
How I wish that you could see all there is of me
How I long to hear that you take me for who I am 'Cause I'm just a little girl, you see
But there's a hell of a lot more to me
Don't ever underestimate what I can do
Don't ever tell me how I'm meant to be 'Cause I'm just a little girl you see
But there's a hell of a lot more to me
Don't ever underestimate what I can do
Don't ever tell me how I'm meant to be Sometimes I feel, you're not listening
Sometimes I feel, you don't understand 'Cause I'm just a little girl you see
But there's a Hell of a lot more to me
Don't ever underestimate what I can do
Don't ever tell me how I'm meant to be 'Cause I'm just a little girl, you see
But there's a Hell of a lot more to me
Don't ever underestimate what I can do
Don't ever tell me how I'm meant to be
