Unbelievers

presidentchirac

Got a little soul
The world is a cold, cold place to be

Want a little warmth
but whoâ€™s going to save
a little warmth for me?

Refrain:
We know the fire awaits unbelievers
All of the sinners, the same
Girl you and I will die unbelievers
bound to the tracks of the train

See the snow come down
Itâ€™s coming on down
from the highest peak

Want a little leaf
but whoâ€™s going to
save a little leaf for me?

Refrain

Iâ€™m not excited, but should I be?
Is this the fate that half of the world has planned for me?

I know I love you
and you love the sea
wonder if the water contains
a little drop, little drop for me

See the sun go down
Itâ€™s going on down
when the night is deep

Want a little light

but whoâ€™s going to save
a little light for me?

Refrain

If Iâ€™m born again
I know that the world will disagree

Want a little grace
but whoâ€™s going to say a little grace for me?

Refrain

Iâ€™m not excited, but should I be?
Is this the fate that half of the world has planned for me?

I know I love you
and you love the sea
wonder if the water contains
a little drop, little drop for me

Iâ€™m not excited but should I be?
Is this the fate that half of the world has planned for me?

I know I love you
and you love the sea
wonder if the water contains
a little drop, little drop for me
