Popstar Kill

Bis

Hey popstar you look real silly
I want to kill you now
(Kill, kill, kill)
Hey popstar you're such a fake
You really look a joke
(Joke, joke, joke)Hey popstar I hate your guts
You don't deserve to live
(Die, die, die)
Hey popstar get out my face
I hate the sight of you
(Hate, hate, hate)One day you'll realize
That you're not that great
The people they hate you
They think you're a fakeHey popstar look at yourself
You are a fuckin' state
(Fuck, fuck, fuck)
Hey popstar look at yourself
Oh, why can't you just wait
(Wait, wait, wait)I am me, you're not you
I like me, you love you
I am real, you're not true
I hate you tooHey popstar your time has come
Now we know who you are
(Who, who, who)
Hey popstar give up the fight
You're looking like a fool
(Fool, fool, fool)Hey popstar you're just pretend
The kids won't be deceived
(No, no, no)
Hey popstar you're killing me
We just want the truth
(Truth, truth, truth)
