

If This World

Jaci Velasquez

Yeah

Yeah Do you feel you've been disowned
Left outside in the cold and without a home?

Do you think that no one cares
That you're lost and alone and without a prayer? Don't give into the lie that there's no one you can turn to

Don't lose heart, there is hope
There is someone who will never desert you If this world is a lonely place for you

Fall into the arms of love
If this world is a lonely place for you

There's a God who you can trust
He'll comfort you and lift you up Yeah

Yeah Are you looking for a friend
Who will stand by your side to the very end?

Someone who is always true to his word
Be assured, He won't turn from you Put your faith in the one who will never let you down

He has proven his love
Open up to all He has for you now If this world is a lonely place for you

Fall into the arms of love
If this world is a lonely place for you

There's a God who you can trust
He'll comfort you and lift you up He hears your cry

He sees your tears
He knows your pain and all your fears He waits for you with open arms

He longs to live inside your heart
You'll never be alone again If this world is a lonely place for you

Fall into the arms of love
If this world is a lonely place for you

There's a God who you can trust
He'll comfort you and lift you up Yeah

Yeah Yeah

Yeah
