

# More Of You

## MoZella

So it goes without saying  
That I'm hooked on you  
And by now  
I'm outta my mind  
With this self abuse  
I guess I shoulda looked out  
For myself  
I guess that I coulda found  
Someone else  
But I never met anyone  
Whose lovin made me so damn crazy  
Every little thing that you do  
Every single word you say  
Every time you're looking away  
You got me beggin for more of you  
More of you  
Every time I'm ready to go(every time I'm ready to go)  
Every time I think I'm back in control(every time I'm back in control)  
Something gets a hold of my soul  
And I'll be beggin for more of you  
More of you  
I'm beggin for more of you  
Mmmmmmm  
I'm beggin for more of you  
You're a door I can't close  
When I'm runnin late  
When I see you I know  
That I'm tempting fate  
I guess that I should move on  
With my life  
Cuz the state that I'm in  
Is just not right  
And I never met anyone  
Whose lovin made me so damn crazy  
Every little thing that you do  
Every single word you say  
Every time you're looking away  
You got me beggin for more of you  
More of you

Every time I'm ready to go(every time I'm ready to go)  
Every time I think I'm back in control(every time I'm back in control)  
Something gets a hold of my soul  
And I'll be beggin for more of you  
More of you  
Now  
I don't know where to go  
Should I  
Put an end to this show  
But it's out of my hands(out of my hands)  
Cuz I'm at your command(at your command)  
So what else can I do  
But get some more of you  
Every little thing that you do  
Every single word you say  
Every time you're looking away  
You got me beggin for more of you  
More of you

Every time I'm ready to go(every time I'm ready to go)  
Every time I think I'm back in control(every time I'm back in control)  
Something gets a hold of my soul  
And I'll be beggin for more of you  
More of you  
Every time I'm ready to go(every time I'm ready to go)  
Every time I think I'm back in control(every time I'm back in control)  
Something gets a hold of my soul  
And I'll be beggin for more of you  
More of you  
Every little thing that you do  
Every single word you say  
Every time you're looking away  
You got me beggin for more of you  
More of you
