Parallel Minds (rough mix)

Conception

The things I know are beyond belief,
Gathered through ages
Like growing seeds I have absorbedThe moment has come to challenge the royalty
I'm succumb to a simple law,
Follow the zeros, follow the ones!I am impervious to playing
Cry with no tears,
A beast you can't reclaimYou've seen me before
I'm greed and I'm hate
Man incarnate
Deep within you know
We're parallel minds...
Down to the bones!You'll find there's nowhere you can hide
From the rebellion,
I'll have my kingdom through your linesNo lips to be read, no blood to be sacrificed
Still you're under surveillance
Caught by a servant, digitalizedA silver screen remains
Master of all
But truth is hard to faceThe words I proclaim
Are your own doctrine
Easy to sin
You're scared 'cause you know
W're parallel minds...
Claiming the throne!I'm a reflection of what I've seen
Thus you may say that I've always beenI changed the world they say
'Cause they never knew
The world was mine all the wayYou've seen me before
I'm greed and I'm hate
Man incarnate
Deep within you know
We're parallel minds...The words I proclaim
Are your own doctrine
Easy to sin
You're scared 'cause you know
W're parallel minds... You gave me...
You gave me soul!
