

# La La La

## Naughty Boy

[x2:]

La la, la la la la na na na na,  
La la na na, la la la la na na na na naHush, don't speak  
When you spit your venom, keep it shut I hate it  
When you hiss and preach  
About your new messiah 'cause your theories catch fireI can't find your silver lining  
I don't mean to judge  
But when you read your speech, it's tiring  
Enough is enoughI'm covering my ears like a kid  
When your words mean nothing, I go la la la  
I'm turning up the volume when you speak  
'Cause if my heart can't stop it,I find a way to block it, I go  
La la, la la la la na na na na  
La la na na, la la la la na na na na na,I find a way to block it, I go  
La la na na, la la la la na na na na na [2x]Our love is running out of time  
I won't count the hours, rather be a coward  
When our worlds collide  
I'm gonna drown you out before I lose my mindI can't find your silver lining  
I don't mean to judge  
But when you read your speech, it's tiring  
Enough is enoughI'm covering my ears like a kid  
When your words mean nothing, I go la la la  
I'm turning up the volume when you speak  
'Cause if my heart can't stop it,I find a way to block it, I go  
La la, la la la la na na na na  
La la na na, la la la la na na na na na,I find a way to block it, I go  
La la, la la la la na na na na na  
La la na na, la la la la na na na na na,I find a way to block it, oh  
La la, la la la la na na na na na  
La la na na, la la la la na na na na na,I find a way to block it, I go  
La la na na, la la la la na na na na na,  
La la na na, la la la la na na na na na,I'm covering my ears like a kid  
When your words mean nothing, I go la la la  
I'm turning up the volume when you speak  
'Cause if my heart can't stop it,  
I find a way to block it, I goI'm covering my ears like a kid  
When your words mean nothing, I go la la la  
I'm turning up the volume when you speak  
'Cause if my heart can't stop it,I find a way to block it, I go

La la, la la la la na na na na  
La la na na, la la la la na na na na  
La la na na, la la la la na na na na  
La la na na, la la la la na na na na
