Fightin' Over Me

Paris Hilton

Yo this girl is so hot so sexyEvery time I turn around the boys fighting over me
Every time I step out the house they want to fight over me
Maybe 'cause I'm hot hot today and I'm so so so sexy
All the boys all the silly boys they want to fight over meEvery time I turn around the boys fighting over me
Every time I step out the house they want to fight over me
Maybe cause I'm hot hot today and I'm so so so sexy
All the boys all the silly boys they want to fight over meWe in the VIP killing the once
Whoever ain't two stepping is really bouncing yeah
You know the name of the game
So let go of your dame
She chose me ever since the DJ announce them
She got the right to
Low button down or YSL shades the ice is bright too
And I'm around goons
Moms gonna let me get her
Promise to send her back tomorrow around noon
Soar looser but a good winner
Besides she could use a lil' hood in her
A 40 from auto bond and a hood dinner
With a binner and a rage back sit at the cina
Get violent money wanna drop me
It's something on the tip of my plakyness spit silence
I don't feel haters and if you feeling sum kinda way email them and tell them you still jadakisss
