

Breathless

Tom Jones

Ahhh... Breathless! If you love me, please, don't tease
If I can hold then let me squeeze
My heart goes round and round
My love comes a trumblin' down
You leave me

Ahhh... Breathless! I shake all over and you know why
I am sure its love honey thats no lie
Cause when you call my name
You know I burn like a wooden flame
You leave me

Ahhh... Breathless! Baby, you drive me crazy!
You're much to much
Honey, I can't love you enough
It's alright to hold me tight
But when you love me love me right!
C'mon baby, don't be shy
Love was meant for you and I
Wind, rain, sleet or snow
I am gonna be wherever you go
You have left me
Ahhh... Breathless!
