

# Good Enough To Be Your Wife

Jeannie C. Riley

You ask me if we can live together  
Marriage doesn't fit your way of life  
And you say that you'll be with me forever

Well if that's true, please make me your wife'Cause if I'm good enough to be your woman, good enough to share your life

Good enough to live together, I'm good enough to be your wife  
Good enough to have your children, good enough to give 'em life

Good enough to do your cooking, I'm good enough to be your wifeI don't care what people say about us

Loving one another isn't wrong  
And I don't care as long as we're together  
Right here next to you is where I belong

But, if I'm good enough to be your woman, good enough to share your life  
Good enough to live together, I'm good enough to be your wife  
Good enough to have your children, good enough to give 'em life

Good enough to do your cooking, I'm good enough to be your wifeDarling I'm so glad you want me with you

But sharin' someone's life just ain't the game  
So with you really want to live together  
Then first of all I've got to have your name

'Cause if I'm good enough to be your woman, good enough to share your life  
Good enough to live together, I'm good enough to be your wife  
Good enough to have your children, good enough to give 'em life  
Good enough to do your cooking, I'm good enough to be your wife
