The Sidewinder Sleeps Tonight

R.E.M.

This, here, is the place where I will be staying
There isn't a number, you can call the pay phone
Let it ring a long, long, long, long timeIf I don't pick up, hang up
Call back, let it ring some more
If I don't pick up, pick up the sidewinder
Sleep, sleeps, sleeps in a coilCall me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake herThere are scratches all around the coin slot
Like a heartbeat baby trying to wake up
But this machine can only swallow money
You can't lay a patch by computer design
It's just a lot of stupid, stupid signsTell her
Tell her she can kiss my ass
Then laugh and say that you were only kidding
That way she'll know that
It's really, really, really, really meCall me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake herBaby, instant soup doesn't really grab me
Today I need something more sub, stub, sub, substantial
A can of beans or blackeyed peas, some Nescafe and ice
Candy bar, a falling star or a reading of Doctor SeussCall me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake herThe cat in the hat came back
Wrecked a lot of havoc on the way
Always had a smile and a reason to pretendBut their world has flat backgrounds
And little need to sleep but to dream
The sidewinder sleeps on his backCall me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake herI can always sleep standing up

Call me when you try to wake herCall me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake herI can always sleep standing up
Call me when you try to wake herCall me when you try to wake her up
Call me when you try to wake herI can always sleep standing up
Call me when you try to wake her
I can always sleep standing up
Call me when you try to wake herWe've got to moogie, moogie, move on this one
