

# Sometimes

## The Carpenters

Sometimes not often enough  
We reflect upon the good things  
And those thoughts always  
Center around those we love  
And I think about those people  
Who mean so much to me  
And for so many years have made me  
So very happy  
And I count the times  
I have forgotten to say, thank you  
And just how much I love them
