

Waco

Violent Soho

Cookie cut it
Control it
In a waco on your own Burn your mirror to the floor
I'll be a waiting
Stop bleeding
In a waiting room I own In a WACO I call Yeah I'll be waiting
We'll be screaming
For a second son Yeah I'll be waiting
We'll be screaming
For a second sun
Dress it up right
Camouflage it
In a WACO on our own
Wailing back that siren song
False message
I believe it
Need a prophet of my own In a WACO I'll call Yeah I'll be waiting
We'll be screaming
For a second son Yeah I'll be waiting
We'll be screaming
For a second sun Cookie cut your desire
Fucking liars
In a WACO no-one wants
Sing a song for a profit
Meg Ryan
On a bully radio Cookie cut your desire
Fucking liars
In a WACO no-one wants Yeah I'll be waiting
We'll be screaming
For a second son Yeah I'll be waiting
We'll be screaming
For a second son
