## When It All Comes Down

## **Bonnie McKee**

I knew

She knew

We both knew that someday all of this would endI tried to help

But all I seem to do is hurt

Not only her but myselfAnd someday

I'll be on the road again

And someday

I'll meet you at the top my friend

Don't cry, don't cry

Although I know it's hard to comprehend, oh

Don't cry, don't cryI'll hold your hand if you hold mine

When it all comes down, oh

Don't close your eyes

I'll hold your hand if you'll hold mind

When it all comes down

And take a big deep breathIt feels so empty

Without my hand intwined with yours

I don't know where to go

Cause I'm all alone

Ain't got nobody by my side

You hear me, no oneAnd someday

I'll be on the road again

And someday

I'll meet you at the top my friend

Don't cry, don't cry

Although I know it's hard to comprehend

Don't cry, don't cryI'll hold your hand if you hold mine

When it all comes down, oh

Don't close your eyes

I'll hold your hand if you'll hold mine

Yeah when it all comes down

And take a big deep breathNa na na na na na na (when it all comes down I'll be there, there is nothing for you to fear)

Na na na na na na na (when it all comes down you'll know you'll never have to stand alone)I know you're feeling afraid girl

I know you're feeling alone

But when you feel you can't make it on your own, yeah yeahI'll hold your hand if you'll hold mine
When it all comes down don't close your eyes

I'll hold your hand if you hold mine yeah when it all comes down and take big

## Deep breathWhoa oh yeah oh oh Yeah, yeah, yeah, yeah, ohhh oooh ooh
