

# If We Were a Movie (Feat. Corbin Bleu)

## Hannah Montana

Uh oh, there you go again, talkin' cinematic  
Yeah, you  
You're charming, got everybody star struck  
I know how you always seem to go  
For the obvious  
Instead of me  
But get a ticket and you'll see If we were a movie  
You'd be the right guy  
And I'd be the best friend  
That you'd fall in love with in the end  
We'd be laughing  
Watching the sunset  
Fade to black  
Show the names  
Play the happy song Yeah, yeah, when you call me, I can hear it in your voice  
Oh sure, want to see me and tell me all about her  
La la, I'll be acting through my tears  
I guess you'll never know  
That I should win  
An Oscar for the scene I'm in If we were a movie  
You'd be the right guy  
And I'd be the best friend  
That you'd fall in love with in the end  
We'd be laughing  
Watching the sunset  
Fade to black  
Show the names  
Play the happy song Wish I could tell you there's a twist  
Some kind of hero in disguise  
And we're together  
It's for real, now playing  
Wish I could tell you there's a kiss  
Like something more than in my mind  
I see it could be amazing If we were a movie (if we were a movie)  
You'd be the right guy (right guy)  
And I'd be the best friend  
That you'd fall in love with in the end  
We'd be laughing  
Watching the sunset

Fade to black  
Show the names  
Play the happy song(If we were)  
If we were a movie  
You'd be the right guy  
(You'd be right)  
And I'd be the best friend  
(And I'd be)  
That you'd fall in love with in the end  
We'd be laughing  
(We would laugh)  
Watching the sunset  
(Watch the sun)  
Fade to black  
Show the names  
Play the happy song(If we were)  
If we were a movie  
You'd be the right guy  
(You'd be right )  
And I'd be the best friend  
(And I'd be)  
That you'd fall in love with in the end  
We'd be laughing  
(We would laugh)  
Watching the sunset  
(Watch the sun)  
Fade to black  
Show the names  
Play the happy song
