

# Everything (w/ Andy Caldwell)

## Kaskade

I'm finding the more I see the more I can see  
Now I'm not hiding anymore Come on baby  
Let me know how you feel  
Come on take me  
I can see this is real Ever since your love filled my life  
I see it's changing everything  
Don't you know the way you move me  
It's so right, it's better than anything  
You are the star in the night  
Shining for me baby  
Love is so right  
Come on I'm feeling everything. You know me in a way like no one ever before  
You hold me forever
