Have You Ever Loved a Woman?

Sam Lightnin' Hopkins

Have you ever loved a woman
Man, better than you did yourself
Have you ever loved a woman
Oh, man better than you did yourself
Have you ever tried to give 'em a good home
Same time she act a fool and left
(That's what happened to me!)Don't think cause you're pretty baby
Little girl ain't got every man in town
Please don't think cause you're good looking (Yeah!)
Woman, that you got every man in town
Yeah you know you ain't doin' nothin'
Yeah, but tearin' your reputation down
(But that's your business)
(Have mercy)
You know I don't want you
If you little girl don't want poor me
Don't want you
Little girl if you don't want poor me
Better quit your puttin' on and let poor Lightin' know
Go ahead on and let me be
(Yeah sure, one more time boy, drop down)ï»¿
