Call On Me

Lou Reed

Call on me when you're alone
baby if you need someone to love
Livio: if sometimes, things are hard for you
Joey: if nothing goes right for you
Livio: dont you worry cause im on your side
Joey: there's gonna be a way out everytime
Livio: if sometimes, you can see the light
Joey: happiness is always so bright
Livio: dont you worry cause i'm on your side
Joe: there's gonna be a way out everytime
Chorus:
ATC:
call on me when you're alone
baby if you need someone to love
call me, love is a thing that you need
so call on me, call on me
call on me when you're alone
baby if you need someone to love
call me, love is the answer you need
so call on me, call on me
Livio: (if you need someone to love...to love... to love....)
Joey: if somewhere, there were better days
Livio: their happy ever after again
Joey: dont you worry cause i'm on your side
there's gonna be a way out every time
Chorus:
ATC:

call on me when you're alone
baby if you need someone to love
call me, love is a thing that you need
so call on me, call on me
call on me when you're alone
baby if you need someone to love
call me, love is the answer you need
so call on me, call on me
Livio: (oh baby call on me....call on me... call on me....)
ATC: call on me when you're alone
baby if you need someone to love

Chorus:
ATC:
call on me when you're alone
baby if you need someone to love
call me, love is the thing that you need
so call on me, call on me
call on me when you're alone
baby if you need someone to love
call me, love is the answer you need
so call on me, call on me
call on me when you're alone
Livio: (ooh baby call on me!)
call on me when you're alone
baby, love is a thing that you need
so call on me, call on me.....
