

# I Won't Gamble With Your Love

Patty Loveless

I've taken a lot of chances  
I've drawn to a lot of bad cards  
There was nothin' I minded losing  
So I never took losing too hard  
Well since I won your love  
I guess, I've changed my ways  
There's a lot of games in this old town  
But there's one I no longer play  
I won't gamble with your love  
I don't care to risk that much  
One thing you can be sure of  
I won't gamble with your love  
How many times did I play for seven  
When I gave those dice a roll  
I know all of my prayers were answered  
Sometimes yes, but a lot of times no  
Now I know all I was after  
Could be mine forever more  
There are no other pleasures  
I would trade my treasures for  
I won't gamble with your love  
I don't care to risk that much  
One thing you can be sure of  
I won't gamble with your love  
These boys they come around  
Say, "Baby take a chance on me"  
I say, "No", they say, "Why not?"  
Tell 'um, "I'm pretty happy with what I got  
Anything else would be another long shot"  
I won't gamble with your love  
I don't care to risk that much  
One thing you can be sure of  
I won't gamble with your love  
I won't gamble with your love
