

# Let Freedom Ring

## The Nightwatchman

There's a man homeless and hungry  
There's a wind that's hard and biting  
    There's a song in need of singing  
There's a fuse in need of lightAnd it's no secret, the day is coming  
    And it's a day I hope to see  
    But if they ask, if they ask you, brother  
Who told you that? You didn't hear it from meLet freedom ring  
    Let freedom ring  
    Let freedom ring  
Let freedom ringThere's a book with seven seals  
    There's a beast with seven heads  
    There's seven angels on seven horses  
There's seven vials with seven plaguesSo if you hear, if you hear a knocking  
    On that door just let it be  
    But if they ask, if they ask you, brother  
Who told you that? You didn't hear it from meLet freedom ring  
    Let freedom ring  
    Let freedom ring  
Let freedom ringWhere the righteous, where the righteous stood  
    Where the righteous, where the righteous fell  
    There's a voice soft and whispering  
Coming from the bottom of the wellAnd I tried hard to remember  
    To remember what that voice said  
    Over and over, over and over  
I repeated those words inside my headLet freedom ring  
    Let freedom ring  
    Let freedom ring  
    Let freedom ring  
    Let freedom ring  
Let freedom ringAnd if they ask, if they ask you, brother  
    Who told you that? Tell them it was me, yup
