

Future

Cut Copy

cold is the sun
as she wonders
where he's gone
far away
will they meet again one day
future future future
cold is the sun
as she wonders
where he's gone
far away
will they meet again one day

will they meet again one day
will they meet again one day
future
its the time to think
future i
ts the time
to think about the past
will they meet again one day
will they meet...
will they meet again one day
