

# prime time tv (extended mix)

## Basia

It's only here by popular demand Where there's a hero  
You'll find a villain  
It is a tried and tested most successful billing  
They're in the kitchen  
They're in the bedroom  
They bring the world inside the home  
They want to live in As we look inside their private lives  
It's really me and you  
We're watching on the tube  
In just one week  
You'll be hooked so deep  
A dairy dose of soap on the screen This is prime time TV  
A real life drama As seen on prime time TV  
You can't turn it off and walk away The same old story  
From rags to riches  
The conflicting morals of a family business  
You can't predict it, No  
The play's so twisted  
Maybe that's the reason why it's so addictive All the alibis and fake surprise  
Will Cecil B. DeMille be turning in his grave  
But even so like the ratings show  
We'll watch it once again every time 'Cause this is prime time TV  
More real life drama As seen on prime time TV  
It's only here by popular demand Yeah, yey, yey, yey Is it a window, is it a mirror  
Is it just for entertainment for pleasure So when it's over we're back to people  
Just to prove that human touch can have no equal As we look inside their private lives  
It's really me and you  
We're watching on the tube  
In just one week  
You'll be hooked so deep  
A dairy dose of soap on the screen It's only here by popular demand 'Cause this is prime time TV  
More real life drama As seen on prime time TV  
It's only here by popular demand 'Cause this is prime time TV  
More real life drama As seen on prime time TV  
It's only here by popular demand It's only here by popular demand
