

Set Me Free

Myron Butler

chorus: i dont even kno
where my life would be
if you hadnt shown
shown your love towards me
broke the chains
the chains that were binding me
gave me liberty
set me free
(Repeat x2)

Verse 1: if it hadnt been
for the who
who was on my side
id be lost
like a ship
without a guide
from sinking
said he
lifted me
broke the chains that were binding me.

Bridge: oooooooooo(who the sun sets free)
ooooooooooooo(is truly free indeed)
ooo oh(now i'm walking in)
ooooooooooooooooooooo(my liberty)

Chorus x1

verse 2: and when i
i felt like
i could last
i was bound by
the guilt of
of my past
then i gave the lord
the lord my life and in exchange
he gave me brand new life
i havent been the same

bridge: oooooo(who the sun sets free)

oooooooooooo(is truly free indeed)
oooo oh(and now i'm)
oooooooooooooooooooo(i'm walkin in i'm walkin in my liberty)
yea yea yea yea
