Walking On Music

Peter Jacques Band

I was oh so lonely, baby till I met you
Livin' on my own and feel that emptiness within me
Saturday a movie, honey, Sunday alone
Coffee in the kitchen, Never heard no phone

Tuesday in the supermarket shopping for one
Waiting in the busstop; Rain, or Snow, Winter or Summer
When I saw your smile, It made me hot everywhere
Felt that all the people standing round weren't there

Ooh-Hoo-Ooh, I'm walking on music
Ooh-Hoo-Ooh, I'm walking on air
Ooh-Hoo-Ooh, I'm walking on music
Ooh-Hoo-Ooh, I'm walking on air

I will never leave you, babe I'll give you my love,
Happiness and harmony with you, I feel so groovy
Stars, the sun, the moon above me, Love everywhere
Rainbow Child, you're with me, not so clear, So near

We can change a diamond turnin' sand into stone
Move together solely like a river to the ocean
We can plant a root together and watch it grow
Makin' love together, Take it nice and slow

Ooh-Hoo-Ooh, I'm walking on music
Ooh-Hoo-Ooh, I'm walking on air
Ooh-Hoo-Ooh, I'm walking on music
Ooh-Hoo-Ooh, I'm walking on air

[Instrumental]

You're my music, Sweet music, Every move, You're music
You're my heaven, My angel, Don't ever leave me
You're my moment, This moment, Every moment Music
You're my devil, My angel can't ever leave

You're my music, Sweet music, Every move, You're music
You're my heaven, My angel, Don't ever leave me
