

Angel (Unplugged Version)

[Adrian Sina](#)

Chasing memories and fears
Running in this rain of tears
My wings are black and heavy
They try so hard to reach you
My world is empty
Cant take it
One more try And I feel, I feel like an angel
Beautiful, so stranger hold me in your arms oh
I feel, I feel like an angel
Beautiful, so stranger see my world tonight oh And I feel, I feel like an angel
Beautiful, so stranger hold me in your arms oh
I feel, I feel like an angel
Beautiful, so stranger see my world tonight oh Never finding what I mean
And its far from how I dream
My wings are black and heavy
They try so hard to reach you
My lips cant call you
They whisper sad goodbyes And I feel, I feel like an angel
Beautiful, so stranger hold me in your arms oh
I feel, I feel like an angel
Beautiful, so stranger see my world tonight oh And I feel, I feel like an angel
Beautiful, so stranger hold me in your arms oh
I feel, I feel like an angel
Beautiful, so stranger see my world tonight oh And I feel, I feel like an angel
Beautiful, so stranger hold me in your arms oh
I feel, I feel like an angel
Beautiful, so stranger see my world tonight oh And I feel, I feel like an angel
Beautiful, so stranger hold me in your arms oh
I feel, I feel like an angel
Beautiful, so stranger see my world tonight oh
