And then this one time
I tried to talk to him and these other girls,
They totally got in my way.

Uh, catch me in Soho getting stupid flies
Or catch me uptown getting super fly, you heard me?
Or catch me just riding my Coupe's fly

And they say birds of a feather flock together
So you and you get in drop together
It was cool outside not the hottest weather
But a nigga still stuntin, dropped it on em' Hefers (word)
And we pull into the tele knockin salt n' peppa Funky fresh, Dress to impress, We at the party

In the face, I'mma wash it like black sand (check the watch box)
And I used to sell smack like a back hand (X-15 Sharif)
And I see through you niggas like a cat scan (get em')
And fuckers getting fax like a lap dance (fuck that)
They say I'm a rock star it's like the Gap Band (aye now)
It's new whips, I pull into the night club
I got them Jordan number 6 outta flight club
Sway still in seats all piped up,
And we ain't leave the club until the lights out (one more bottle)
Everyday I stay splashy like it's Easter (Word)

That's why they say I'm something like a fashionista
Roll some, burn some, pass the reefer
I turn the shit black and yellow, tape Like Khalifa (black and yellow)
I'm so fly, tell me where I'm landing
I hope the summer hot nigga, where we tanning Funky fresh, Dress to impress, We at the party

I pave Stones in my watch, like the drive way
And Imma clone to the cops, like the highway

And I kept the weed low as I passed the cops (who watchin')
But the music so loud, we was blastin Pac (Knock it)
And I ran outta dutches so I had to stop (whoa) And I don't know what to say to him, I mean,
Do you think he blondes?
I guess I could be blonder
I mean, Do you think Jim Jones needs me to be blonder?
Maybe I just need to lose weight, I mean
I'm already down to like 20 pounds, but I could totally go lower
Because he is just so freaking unbelievably adorable
Like Popsicle Hot, like need to cry,
OK, where are my friends
I need to talk to them about this right away
Maybe we can invent some sort of like Twitter situations
That everybody decides that Jim Jones Should talk to me (everybody Jones, Everybody Jones)

Oh my God, Oh my God he's coming over here.
